Title: The Ramblings of INU

Author: Oscar Rousseau

Listen to me!

The Lords of Shadow will
dwell in our hearts.

Destruction bears down
on us.
The Darkness with engulf
us.

My tongue is confounded.

Time itself shall be rent
and torn!
But my mind is clear!
The Darkness with engulf
us.

My tongue is confounded.

Time itself shall be rent
and torn!
But my mind is clear!
